| Thesis Title | The Grammatical Discord In The Scope Of Efforts Of The Modern Simplicity | | |
| Year | 1996 | | |
| Abstract | <p>The study of the grammatical discord put into rhyme our great language science and its fine ; and always urges us to search and discover About What existed heritage from prompts to give it the origin .</p> <p>Grammarians left to us a Great Heritage that refers to the wise Arabian but it did not study a wide and a new study ; therefore I intended to study to the Arabian grammar history ; that dose not depend on the idea of the schools ; and always pauses near the scientists of atical lesson . And a I mentioned those great grammarians according to the historical arrangement</p> <p>This is what I studied in the first part from the letter which was divided in to introduction and three parts preceded by presace ; and represented it by an end ; that had the most important results of the research and its suggestion .</p> <p>In the second parts I discussed the grammatical simplicity ; its meaning and its relation with renewal , reformation , and simplification and other terms from the apperotryate terms from the term of the grammatical simplicity ; investigation the intention</p> | | |

of the modern simplicity a wide investigation ; and its a new deed I didn't try before.

Then I suggested the study of the a Arabian grammar .

In the third parts I discussed the grammatical discord linking it with simplicity and its the main part in the letter ; I mention in it the grammatical discord affairs the rat of it correctness ; and then studding it in the scope of what had come from the simplicity modern scientists from opinions and suggestion .

And I ask god that this will be an accepted deed ; and I truly meant this ; and from god is the success .
