Year	2001		

Abstract

*The contemporary Muslim and The cultural
Interact with Islam*

This thesis consists of an introduction and two sections and conclusion . The introduction deals with the reason for choosing this subject and its importance , and the most important difficulties that I faced during the writing of it , and the most important Source . The first section was about the understanding of the Quraan by the first generation of the companions of the prophet .

The first chapter deals with the formulation of the Quraan to the ideology of the companions which consist of four pivots :

One : The substance of there is no God but Allah . It consists of six branches .

- 1 . The peculiarities of God .
- 2 . To disdain God From partner and son .
- 3 . Earmarking God .
- 4 . The leverage of God .
- 5 . Earmarking God to creation and bringing into being .
- 6 . Invocation of God .

The second pivot deals with the faith of the day of resurrection . It consists of eight branches :

- 1 . The unavailability of death .
- 2 . The attendance of Angels at death .
- 3 . The frighten from the day of resurrection .
- 4 . The deniers of the day of resurrection .
- 5 . On the resurrection and its proofs .
- 6 . The unavailability of jugunent .
- 7 . On the preference of the life after death .
- 8 . Manners of the people of hell and paradise .

The third pivot deals with the holly Quraan . It consists of four branches :

- 1 . To prove the validity of Quraan .
- 2 . Threaten the deniers .
- 3 . The errand of the holly Quraan .
- 4 . The preserving of the holly Quraan from any change .

The fourth pivot was about the validity of the prophet .

The second chapter deals with the interaction with Islam, according to the author, it consists of three topics:

1. Manners of the contemporary Muslim.
2. The causes of the Misunderstanding of the contemporary Muslim.
3. The basis of the cultural interaction with Islam.
 - a. The steadfastness on faith, despite the sacrifices.
 - a. Loyalty to God and the prophet and the believers.
 - c. The brotherhood of ideology.
 - d. Calling to this religion.
 - e. Jealousy to assist the religion.

The second section of this consists of three chapters. Chapter one is about the assistance of the religion.

- a. The concept of the assistance.
- b. The Factors of the excavation of the religion.
- c. The interference with Courtesy and the abominable.
- d. The assistance in the Holy Quran.
- e. The message of the Muslim according to the Quran.
- f. The position of the assistance in the Quran. Which can be the following:
 1. The aim of Jihad.
 2. The evidence of the final reality and its truths.
 3. Muslim wars paradise.
 4. The Muslim germ question.
 5. The germ race of the Muslim.
 6. The reason behind respecting the first generation.
 7. Reviving is Good.
 8. The reason for not assisting.
 9. On the grave.
 10. Jihad Today.

The second chapter of this section deals with Israel, it consists of the following:

The role of the Israel in harming the humanity. The final decision. Killing of the prophets and messengers ... etc.

The third chapter of this section deals with the means of the cultural interaction with Islam.
